Applicant must hold an Oregon registration to conduct a plumbing business or be exempt from registration requirements.

Note: Permit fees are non-refundable. Permits become null and void if work is not commenced within 180 days of issue or if work is suspended for more than 180 days. It is the responsibility of the permit holder to see that required inspections are requested in a timely manner. When making an inspection request, include: permit number, name, site address, directions to site if necessary, inspection type being requested, and date when ready.

I hereby certify that, to my knowledge, the above information is true and correct. All work to be performed shall be in accordance with all governing laws and rules.
